

Industry Symposium Transport and Metabolism in Drug Development

Session Speakers

Chair: Yan Zhang, Director, DMPK, Nuvation Bio, NY
Co-Chair: Jason Boer, Director, Incyte Corporation, DE

Hong Shen, Bristol Myers Squibb, NJ

Title: *Interplay of Transporters and Drug-Metabolizing Enzymes in Drug Disposition and Interaction: Scientific and Industry Perspectives*

Xinning Yang, CDER, FDA

Title: *Title to be updated*

Kenneth R. Brouwer, Ph.D., RPh., Vice President, Technology - ADME-TOX, BioIVT

Title: *Title to be updated*

Albert Li, In Vitro ADMET Laboratories Inc., Columbia, MD and Malden, MA

Title: *Novel in vitro Human Hepatic and Enteric Systems for the Evaluation of Drug Uptake, Metabolism, and Toxicity*
