SPONSORSHIP GUIDE

11th International Conference on **CANCER RESEARCH & DRUG DEVELOPMENT**

 November 2-4, 2026 | Houston, TX | Hybrid

Sheraton North Houston at George Bush Intercontinental
15700 John F. Kennedy Blvd, Houston, TX

Welcome to the **11th International Conference on Cancer Research and Development (Cancer R&D 2026)**, a prestigious three-day congress devoted to advancing the field of basic, preclinical, and translational cancer research. Hosted by United Scientific Group, a distinguished non-profit organization committed to the progression of cancer research, Cancer R&D serves as a platform to foster innovation, cultivate knowledge, and encourage meaningful connections and collaborations within the global cancer research community.

Conference Highlights:

Cutting-edge Research: Cancer R&D 2026 will showcase the latest breakthroughs in cancer research across a diverse range of topics, spanning from fundamental studies to translational applications.

Inspiration for Innovation: The conference aims to inspire and catalyse innovation within the cancer research community, encouraging participants to push boundaries and explore new avenues in the fight against cancer.

Building Knowledge: Attendees will gain insights into the most recent discoveries, methodologies, and advancements in the field, contributing to the collective knowledge base of cancer research.

Date:
November 2-4, 2026 | Houston, TX | Hybrid

Venue:
Sheraton North Houston at George Bush Intercontinental
15700 John F. Kennedy Blvd
Houston, TX 77032, United States

Scientific Sessions

- ♥ Cancer Progression and Prognosis
- ♥ Cancer Metastasis
- ♥ Cancer Resistance
- ♥ Cancer Microenvironment
- ♥ The Microbiome and Cancer
- ♥ Novel Approaches to Detect Cancer Early
- ♥ Cancer Genetics and Biomarkers
- ♥ Precision Oncology
- ♥ Computational Biology and AI in Cancer
- ♥ Therapeutic Development
- ♥ Cancer Vaccines
- ♥ Cancer Immunotherapies: Monotherapy and Combinations
- ♥ Cellular Therapies for Cancer
- ♥ Cancer Radiation Therapy
- ♥ Targeted Therapy
- ♥ Novel Drug Development in Cancer
- ♥ Advances in Organ Specific Cancer Research
- ♥ Breast Cancer
- ♥ Brain Tumors
- ♥ Gastrointestinal Malignancies
- ♥ Non-Small Cell Lung Cancer
- ♥ Ovarian Cancer
- ♥ Sarcoma Biology
- ♥ Neuroendocrine Cancer

CRD-2026 CONFERENCE SCHEDULE

November 02, 2026

DAY-01

TIME	TALK/SESSION
07:30-08:00	Registrations and Badge Pickup
08:00-11:00	Plenary Session

16:20-17:00	Session-V
17:00	Departures

Support the event and take the advantage of getting connected with your target audience!

The **USG United Scientific Group (a 501(c)(3) non-profit organization)** organizes interdisciplinary international conferences to showcase cutting-edge research outcomes within life science and other scientific disciplines. It's important to have platforms like these where academic researchers, business leaders, and industry professionals can come together to exchange knowledge and address pressing issues.

The **Cancer R&D 2026** conference sounds like a valuable event, as it provides attendees with the opportunity to interact, learn, and engage with prominent figures in various sectors, including commercial, regulatory, scientific organizations, and academic institutes. This kind of collaboration and networking can lead to advancements in research, technology, and societal impact.

Sponsorship/exhibit opportunities offered by USG are an excellent way for organizations to demonstrate their support for science and contribute to the success of the conference. By providing financial contributions, sponsors/exhibit help facilitate the presentation of important research findings and ensure the necessary management and logistics of the scientific gathering community.

Sponsorship/exhibit not only benefits the organizers and attendees but also provides visibility and recognition for the sponsoring organizations. It showcases their commitment to advancing scientific knowledge and their dedication to supporting the scientific.

Overall, USG's efforts in organizing conferences and offering sponsorship opportunities contribute to the advancement of science and technology, fostering collaborations, and addressing the challenges faced by the new generation.

1. Cancer R&D 2026 Conference Sponsorship Agreement Guidelines

Purpose:

These guidelines outline the terms, responsibilities, and procedures governing sponsorship agreements for Cancer R&D 2026 Conference. They ensure mutual understanding between Cancer R&D 2026 Conference and each sponsoring organization, maximizing value for both parties.

Sponsorship Categories & Benefits:

Sponsorship packages are offered at multiple tiers, each with defined benefits, including but not limited to:

- **Platinum Sponsor:** Top-level brand visibility, speaking opportunities, premium exhibit space.
- **Gold Sponsor:** High-level brand placement, preferred exhibit space.
- **Silver Sponsor:** Standard exhibit space and logo display.

Detailed package inclusions are listed in the official Conference Sponsorship Prospectus:

Any custom arrangements must be documented in writing in the agreement.

Sponsorship Agreement Process:

- **Proposal & Selection:** Sponsor selects package or custom option in consultation with Cancer R&D 2026 Conference organizers.
- **Execution of Agreement:** Both parties sign the formal Sponsorship Agreement prior to any promotional use of sponsor's name/logo.
- **Payment Terms:** Standard: Full payment due within 30 days of invoice.
- **Late Payments:** Cancer R&D 2026 Conference organizers reserve the right to withhold sponsorship benefits until payment is received.
- **Cancellation Policy:** Cancellation must be submitted in writing. If cancellation occurs: 90 days before the event: 50% refund (minus administrative fee) and <90 days before the event: No refund.

Sponsor Deliverables:

- High-resolution logo (vector or 300 dpi minimum).
- Company profile (500–1000 words).
- Marketing materials for distribution (optional, subject to prior approval from Cancer R&D 2026 Conference organizers).
- Names of attending representatives for badging 3-weeks ahead of the Cancer R&D 2026 Conference date.

Cancer R&D 2026 Conference organizers Responsibilities:

- Cancer R&D 2026 Conference organizers will Deliver all agreed sponsorship benefits as listed in the Sponsorship Prospectus or Agreement.
- Provide acknowledgment in conference materials, signage, and online listings.
- Ensure exhibit space and promotional opportunities are ready per agreement.

Intellectual Property & Brand Use:

- Sponsors grant Cancer R&D 2026 Conference organizers the right to use their name/logo solely for conference-related promotion.
- Sponsors may use the conference name/logo only with prior written approval from Cancer R&D 2026 Conference organizers and solely for the purpose of promoting their participation.

Compliance & Restrictions:

- Sponsorship does not imply Cancer R&D 2026 Conference endorsement of products or services.
- Sponsors must comply with all applicable laws, venue regulations, and Cancer R&D 2026 Conference event policies.
- Marketing content must be appropriate for a professional scientific audience and free of false or misleading claims.

Force Majeure: If the event is postponed or canceled due to circumstances beyond Cancer R&D's control (e.g., natural disasters, pandemics, government restrictions), sponsorship benefits will be deferred to a rescheduled event or transferred to another year Cancer R&D event, as mutually agreed.

Governing Law: This agreement will be governed by the laws of the Colline county, State of Texas, USA, without regard to conflict of laws principles.

2. Cancer R&D 2026 Conference Exhibitor Agreement Guidelines

Exhibition space at the Cancer R&D 2026 Conference is limited and will be assigned on a first-come, first-served basis, so we encourage you to reserve early.

The exhibition area is strategically located with direct access to conference rooms and is situated in a high-traffic zone, ensuring maximum visibility during registration, coffee breaks, lunch, and the gala dinner. This placement is designed to maximize engagement and encourage delegate interaction around the exhibit area.

Each exhibit booth includes two complimentary conference registration.

Exhibit Booth Specifications and Dimensions:

Approx. 3 meters x 3 meters.

Standard Inclusions:

- One fascia board with organization name
- One power outlet with extension cord
- One 5½-foot table with cloth
- Two chairs

Exhibit Material Shipping Guidelines:

- Please carefully review the following information regarding the shipment and return of exhibit materials for the Cancer R&D 2026 Conference:

Shipping to the Venue:

- The conference organizers will provide the name and address of the designated hotel contact TWO weeks prior to the Cancer R&D 2026 conference.
- Exhibitors are requested not to ship materials earlier than one week before the event.
- If materials arrive earlier than this, the hotel may charge storage and handling fees, which will be the sole responsibility of the exhibitor.

Return Shipping Instructions:

- After the event, exhibitors are responsible for packing their materials, attaching prepaid shipping labels, and handing over the labelled boxes to the hotel contact for courier pick-up (UPS/ FedEX).
- The Cancer R&D 2026 conference organizers will not be responsible for coordinating or tracking the return of exhibit materials. All return logistics must be handled directly by the exhibitor.
